About ProTrade Contracting

ProTrade Contracting is a multi-trade construction company delivering high-quality commercial trade services across Western Australia. We specialise in painting, plasterboard (walls and ceilings), and vinyl floor coverings, supporting both new builds and refurbishment projects.

Our experienced and highly skilled teams operate across commercial, residential, and large-scale projects, consistently delivering work to the highest standards of safety, quality, and efficiency. We pride ourselves on strong site coordination, reliable delivery, and a practical, solutions-driven approach.

Whether you require a single trade or a fully integrated multi-trade solution, ProTrade Contracting is your trusted partner—committed to completing projects on time, within budget, and to specification.

Our core services include

Painting

Plasterboard

Vinyl Flooring

“ Our team of highly skilled tradespeople are committed to quality, safety, and reliability giving our valued clients confidence in our professional standards, proven capability, and unwavering commitment to quality outcomes. ”

Ibrahim “Ebby” Khawari
Senior Painter

ProTrade is led by industry Professionals with over

40 years of combined experience

Delivering High Quality Services to all our Clients

Our Vision

To be Western Australia's preferred multi-trade contractor for metro high-rise and large-scale construction, recognised for reliable delivery, high-quality outcomes, and strong project partnerships across Western Australia.

Our Values

Safety

Always our top priority.

Standard

Commitment to quality and craftsmanship.

Schedule

Strong focus on programs and timelines.

Integrity

We are honest and transparent in all our work.

Efficiency

We save time and cost through smart planning and delivery.

Accountability

We take ownership and responsibility from start to finish.

What We Do

Painting

At ProTrade Painting, we take pride in delivering high-quality painting and decorating services with a strong focus on preparation, application, and finish. We use only premium materials and industry-leading tools to ensure long-lasting, professional results.

From decorative finishes and protective coatings to wallpaper installation, we enhance every project by combining technical excellence with a commitment to quality. Our approach includes thorough inspections at every stage, ensuring a flawless outcome and complete client satisfaction from start to finish.

Plasterboard

ProTrade Plasterboard delivers expert framing, sheeting, and flushing services with a focus on precision and efficiency. Our skilled teams reduce material waste through accurate installation techniques and excel in detailed features like shadow lines, bulkheads, and cornices.

Through meticulous flushing and sanding, we ensure a flawless, paint-ready finish that meets the highest industry standards. Our dedication to quality finishes and attention to detail ensures lasting value is added to every project we undertake.

Flooring

ProTrade Vinyl excels in vinyl floor & wall installation through planning, expert surface preparation, and precise execution. Our team ensures each project begins with a thorough assessment of surface conditions and layout intricacies. We specialise in various vinyl types—including sheet vinyl and planks.

Our expert installation techniques cover surface preparation, cutting, gluing and welding ensure every installation is built for strength, visual appeal, and long-term performance. ProTrade delivers vinyl wall & flooring solutions that meet the highest industry standards.

Meet the Team Behind ProTrade

At ProTrade Trade Services, our strength lies in our people. Our leadership team brings together decades of industry experience, on-the-ground knowledge, and a shared vision of excellence in trade delivery. Experience You Can Trust

ProTrade Trade Services was established on a foundation of proven industry experience, bringing together a Management Team with decades of success delivering major refurbishment and construction projects across Western Australia. Each member's past achievements reflect the expertise, reliability, and high standards that define our approach to every new opportunity.

Over the past 14 years, various members of our Management Team have played key roles in successfully delivering our core services across the following

THREE major projects.

Kimberley Project

(2010 - 2018)

Asset Principal: Government
Client: Pindan Contracting
Scale: 800 New Builds
Term: 8 Years

Karratha Project

(2017 - 2020)

Asset Principal: Wood side
Client: Pindan Contracting & H&M Tracey
Scale: 400 New Builds
Term: 4 Years

Barrow island Project

(2022 - 2024)

Asset Principal: Chevron
Client: Ertech & Downer
Scale: Mine Camp Partial Refurbishment
Term: 2.5 Years

Safety First Always

Working on large projects across remote regions of Western Australia, ProTrade Trade Services puts safety at the forefront of everything we do. Safety is not just a regulatory requirement or client expectation – it is a core value embedded in our company culture. This commitment spans across all our core services delivered in any environment.

Whether our team is painting a client’s facility, laying vinyl flooring in camp accommodation, or installing plasterboard in a new diner or wet mess, we never compromise on safety. We understand the unique hazards with every project and take a proactive approach to mitigate them, ensuring that each team member shares responsibility in maintaining a safe work site.

Safety isn’t a checkbox for us – it’s part of our identity.

Meeting the Highest Safety Standards

At ProTrade Trade Services, we operate to the highest industry standards and seamlessly align with the strict safety protocols of Tier-1 mining and oil & gas clients

Our team arrives site-ready and fully compliant from day one. Supported by a comprehensive range of in-house safety documentation and strict operational protocols, we deliver consistent, safety-driven performance that gives our clients total peace of mind on every project.

Our Safety Practices

At ProTrade Trade Services, safety is integrated into every aspect of our daily operations through proactive systems and engaged team participation. Our workers wear appropriate PPE and follow best-practice methods at all times.

We conduct Toolbox Talks, use “Take 5” checks before tasks, and carry out Job Hazard Analyses for higher-risk work. Safe Work Method Statements are developed where required, and all projects are supported by robust internal safety policies and procedures—ensuring a consistent, structured approach to safety on every site.

Let's Build Something Together

Whether you're planning a refurbishment or seeking a reliable multi-trade contractor, ProTrade is ready to deliver.
